

Schedule 5: Packaging and Printed Paper

Product Category

Packaging:

A material, substance or object that is; used to protect, contain, or transport a commodity or product; or attached to a commodity or product or its container for the purpose of marketing or communicating information about the commodity or product.

Printed Paper:

Paper that is not packaging, but is printed with text or graphics as a medium for communicating information, and includes telephone directories, but does not include; other types of bound reference books, bound literary books, or bound text books.

Timelines and Consultation

- A stewardship program for packaging and printed paper will be implemented by May 19, 2014
- Discussions and Consultation: June, Sept/Oct
- Stewardship Plan consultation

ICI Packaging and Printed Paper

- Definition packaging is does not exclude sectors.
- Pan must provide for collection of the product from residential premises and municipal property, that is not ICI.
- Ministry expects that all ICI facilities will show leadership and strive to collect and recycle as much packaging as possible.
- Municipalities may enact bylaws that ban disposal or require all ICI facilities to recycle packaging.
- Government intends to include packaging and printed paper from private spaces (e.g., spaces with ICI settings) in the future.
